EXPERIENCE

I HAVE WORKED IN VARIOUSE INDUSTYS!

Industrial gaskets (making them) petra chemical industry
Motor vehicle mechanic
Royal air force
Car valeting
Industrial manufacturing of ducting
Shop work
Forklift driver
Distribution industry
Class 2 wagon driver
Mechanical handling trainer

Within the jobs I have done I have had experience in!

Manufacturing
Stock control
Warehouse building and organizing
Driving various types of vehicles
Training and instructing people how to use and maintain equipment

What I am offering you as a company is my experience in life and work but mainly as an MCHE training instructor with 40+ years of using MCHE and 10 years of being a full-time R.T.I.T.B recognized and trained instructor. Key responsibilities: planning and delivering effective instruction across various subjects and grade levels, assessing and monitoring student progress, and providing individualized support and intervention as needed.

WHAT I OFFER

Fully qualified instruction
All certifications
Full training
On various types of vehicles (listed on attached pages)
I am fully insured
And I am willing to work at any location (if working abroad I would need to seek the correct working permits and qualifications for that country)

If training is to be done on a piece of machinery that I do not have a qualification in I would get trained to teach that equipment so I could pass the knowledge on

LIST OF EQUIPMENT

TRAINED TO TEACH

Forklift Truck Type B1 Counterbalance
Forklift Truck Type D1 Reach
Forklift Truck J1 Rough terrain masted
Forklift Truck J2 Rough terrain Reach
Forklift Truck J3 Rough terrain Telescopic
Forklift Truck J5 Industrial Telescopic
Forklift Truck M1 Multi-Directional Counterbalance
Forklift Truck M2 Multi-Directional Side Loader
Forklift Truck M3 Multi-Directional Reach
MEWP
Mobile Vertical 3A Can drive elevated
Mobile Boom 38 Can drive elevated
Walk behind and ride on Pallet trucks
A1-A3-A5-A7
Pallet trucks Z1
Overhead Gantry LTG1704
Banksman LTG40

LEADERSHIP

As a teacher, I maintain a positive classroom environment that promotes student engagement, behavior management, and social-emotional development.

REFERENCES

Available upon request.

Pricing depends on the individual courses

- How many students there are (max per course is 3)
- The type of course, refresher, experienced, novice or conversion
- Where the course is
- How long the course is (1-5 days)

- Weather it's a stop away (accommodation costs)
- Distance from home base
- Type of certification required
- If a failure occurs the first re-test is free
- All training is done on the site the customer requires the work to be done on
- I do not have a training center, only an office where theory can be trained
- The training can be done electronically or using paper
- We offer E-Training Aswell as traditional training

Payments are made in advance unless otherwise stated differently but no longer than 30 days after work is done

- All pricing is negotiable

In addition to all paperwork to be done I have got

- Public liability insurance
- Candidate registration forms
- Data protection/retention
- Data breach
- Risk assessment
- Fair processing notice
- Candidate information
- Appeals Procedure
- Continuous development
- All certifications can be NORS certificates
- In-house certifications available
- Id Cards are available on request
- ABA Categories (attached)
- R.T.I.T.B. Minimum time list (attached)

Attached are copies of all the forms used to process all operators; these are just for reference as the main body of the work is done by the instructor, and the paperwork is done electronically.

If the information in this flyer is of interest, please don't hesitate to contact David Watson on 07769553419

Thanks for your time
